Context

We help people in crisis, in the UK and overseas. As part of a global voluntary movement, we respond to conflicts, natural disasters and individual emergencies, helping vulnerable people to prepare for, withstand and recover from emergencies.

Our principles and values

Our values (compassionate, courageous, inclusive and dynamic) underpin everything we do. As a member of the Red Cross and Red Crescent Movement, the British Red Cross is committed to, and bound by, its fundamental principles: humanity, impartiality, neutrality, independence, voluntary service, unity and universality.

Directorate overview – Refugee Support and Restoring Family Links

For people in crisis, as a result of their migration status, in need of protection, displaced and often having experienced family loss and separation our Refugee Support and Restoring Family Links team will deliver on our unique position and responsibility as part a truly global humanitarian organisation, present at every stage on the migratory trail to:

- > Reduce destitution and exploitation
- > Restore family links and facilitate reunion
- > Challenge stigma and build inclusion
- > Ensure protection and empower people to make positive decisions to regain control of their lives

We will do this by mobilising the power of humanity through three distinct vehicles for change – advocacy, service delivery and by creating the right environment. We will engage with our service users and use their experience and evidence to inform our development and delivery and will seek out opportunities to build productive alliances across the UK, wider movement and beyond to enable delivery on our mission at the earliest opportunity. To deliver on our mission, we will focus on:

- > Strengthening the sector in which we operate
- > Ensuring all our services are truly accessible and developed through a process of inclusion and collaboration
- > Achieving policy change through effective advocacy underpinned by our extensive operational evidence
- > Develop key alliances, locally and nationally to increase public understanding and create a more welcoming environment
- > Develop partnerships to increase restricted / grant funding
- > Promote wellbeing and ensure inclusive, accessible and diverse development opportunities to engage with, work or volunteer

Local context

This role will include supporting the implementation of the pre-arrival and post-arrival activities aimed at people impacted by the Ukraine conflict. The situation in the UK for people impacted by the Ukraine conflict and those seeking protection is complex and ambiguous due to different visa schemes and differing approaches in different countries in the UK.

The Refugee Support post-arrival service is for people who have arrived in the UK under Humanitarian sponsorship and require support due to their specific vulnerabilities to access their rights and entitlements in the UK. Over 86,600 individuals arrived in the UK through Ukraine Family Scheme and Ukraine Sponsorship Scheme (Homes for Ukraine). Refugee Support teams across the country are seeing an increased number of enquiries for post-arrival support and a gap seems to be emerging with regard to people who are unable to access their rights and entitlements.

The Refugee Support post-arrival service will focus on the delivery of integration support to individuals escaping conflict in Ukraine through a dedicated team of national casework coordinators which will be embedded in local Refugee Support teams. The insights from frontline delivery will feed into a national response. The project will run for 12 months and will initially support over 1,000 Ukrainian individuals.
