The Leadership and Management of our people is critical to us as an organisation.

Our Leadership Framework defines the leadership standards we want to see at the British Red Cross. It shows what great leadership looks like. Our goal is to create a great workplace and deliver excellent services to our users. This <u>framework</u>, along with our <u>Values in Action</u> and <u>Fundamental Principles</u>, helps everyone understand how the leadership capabilities relate to their role and context.

Diversity is something we celebrate, and we want you to be able to bring your authentic self to the British Red Cross. We want you to feel that you are in an inclusive environment, and a great position to help us spread the power of kindness. You can read more about this **here** 

Purpose	To lead the operational design, preparation, and delivery of safe, compliant volunteer recruitment and redeployment during times of crisis or surge demand. This role applies specialist recruitment expertise to enable rapid mobilisation of volunteers, ensuring relevant compliance standards are met. Working in close partnership with the Volunteering Resilience Lead and other organisational specialists, it translates strategic surge and resilience models into practical, scalable recruitment solutions that support organisational readiness and response.
