Context

We help anyone, anywhere in the UK and around the world to get the support they need if crisis strikes: connecting human kindness with human crisis.

We enable vulnerable people in the UK and abroad to prepare for and withstand emergencies in their own communities. And when the crisis is over. We help them to recover and move on with their lives.

We are part of the Red Cross and Red Crescent global humanitarian network.

Our Values and Principles

Our values (compassionate, courageous, inclusive and dynamic) underpin everything that we do. As a member of the Red Cross and Red Crescent Movement, the British Red Cross is committed to, and bound by, its **fundamental principles**: humanity, impartiality, neutrality, independence, voluntary service, unity and universality.

Diversity

At the British Red Cross, we are looking for the right people to help us provide support to millions of people affected by crisis. We want our team to reflect the diversity of the communities we serve, offering equal opportunities to everyone regardless of age, disability, gender reassignment, marriage and civil partnerships, pregnancy and maternity, race, religion or belief, sex, or sexual orientation.

Diversity is something we celebrate, and we want you to be able to bring your authentic self to the British Red Cross. We want you to feel that you are in an inclusive environment, and a great position to help us spread the power of kindness.

Purpose of the role

The job purpose of an Accountant is to manage and oversee the financial aspects of an organization, ensuring accuracy, compliance with accounting standards, and providing timely and relevant financial information.

Specifically, we are looking for a diligent and methodical Accountant to manage the financial processing and reporting of the International Directorate. This role is primarily focused on core accounting duties, including income recognition, reconciliations, and financial controls, ensuring accuracy and compliance with charity accounting standards. Previous experience working within an International Accounting team is preferable but not essential.

Key responsibilities

Audit

- Work within established systems to deliver specified outcomes or provide general support within a specialized area of audit control.
- Resolve issues arising from audits and refer serious or contentious issues to the audit program leader.

Financial Compliance

- Maintain and renew a deep knowledge and understanding of the organization's policies and procedures and of relevant regulatory codes and codes of conduct, and ensure own work adheres to required standards.

Analytics & Data Management

- Collate and analyze data using pre-set tools, methods, and formats. Involves working independently.
- Manage basic aspects of the data management system with guidance from senior colleagues. This includes being responsible for developing or operating basic elements of the data management systems to deliver prescribed outcomes.

Financial Guidelines & Protocols

- Edit document in line with organizational style guidelines and prepare information for publication.
- Resolve queries from internal or external customers or suppliers by providing information on complex processes and the related policies, referring to others where necessary for interpretation of policy.

- Contribute to the development and delivery of financial policies, guidelines, and protocols to ensure the company complies with regulations and good financial practice.

Team Member

- Actively participates in all team meetings.
- Supports other team members.
- Works and behaves in accordance with all BRC policies, procedures and in line with our Values in Action.
- Upholds the fundamental principles of the Red Cross and acts with integrity, in accordance with the Society's values (inclusive, compassionate, courageous and dynamics)

The duties and responsibilities described are not a comprehensive list and additional tasks may be assigned from time to time that are in line with the level of the role.
